

Welcome to my Portfolio

I am, Donne Mckeet

HELLO!

My name is Donne Mckeet, I reside in Brooklyn, Ysterplaat.

I went to Trafalgar High School and matriculated in 2017.

From high school I went to Pearson Institute of Higher Education and completed an NQF5 in business Management as well as 2 years of Bcom.

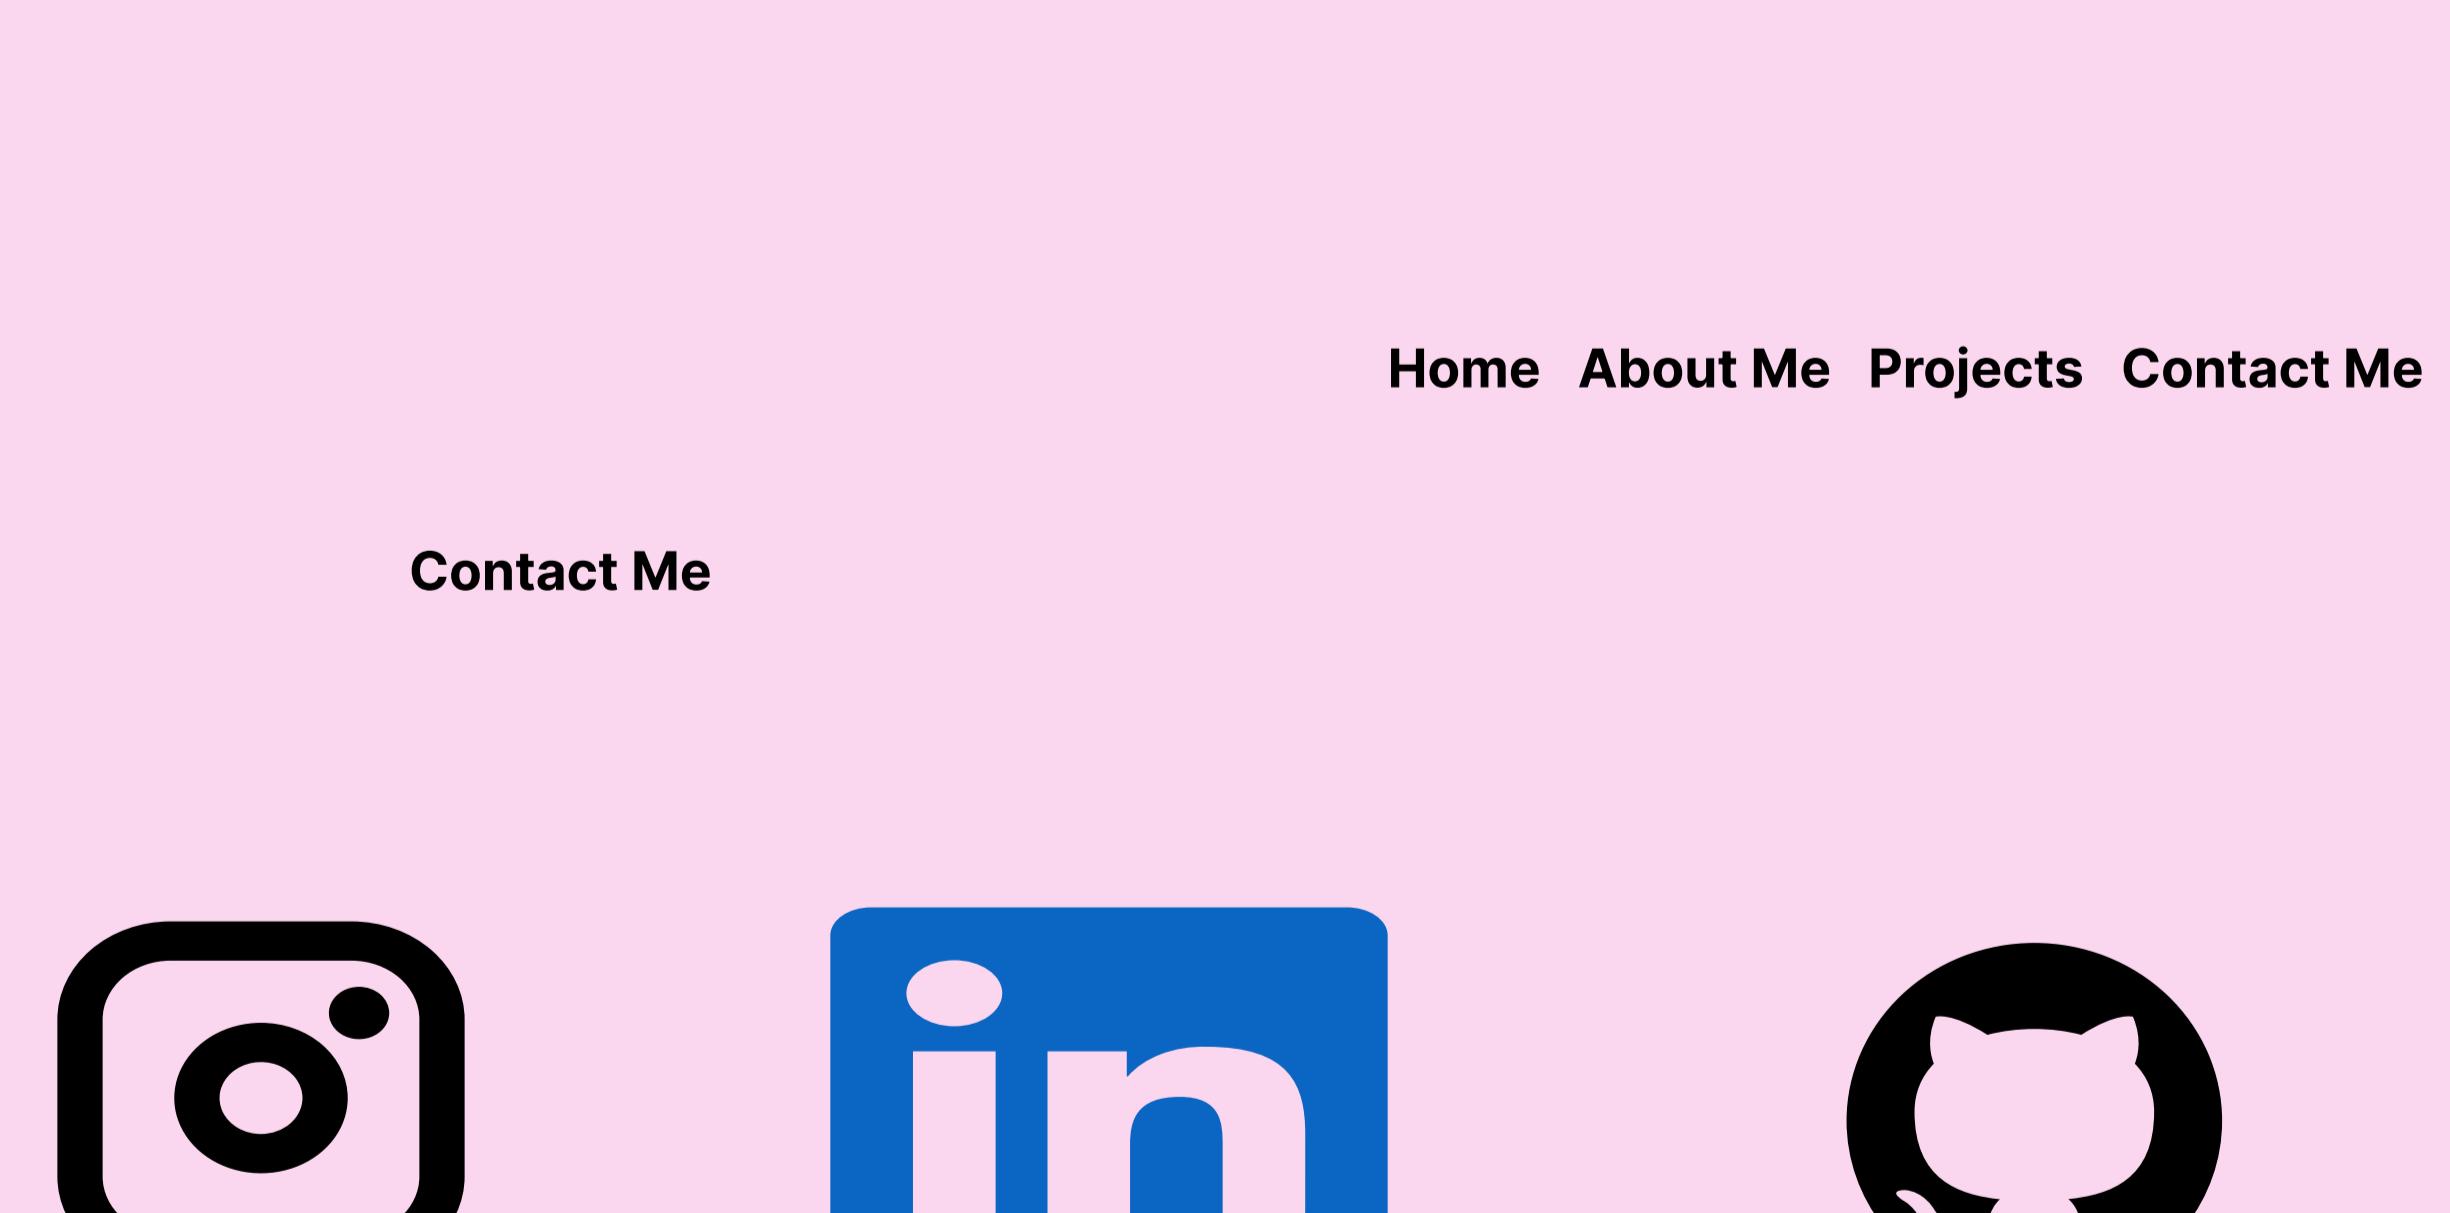

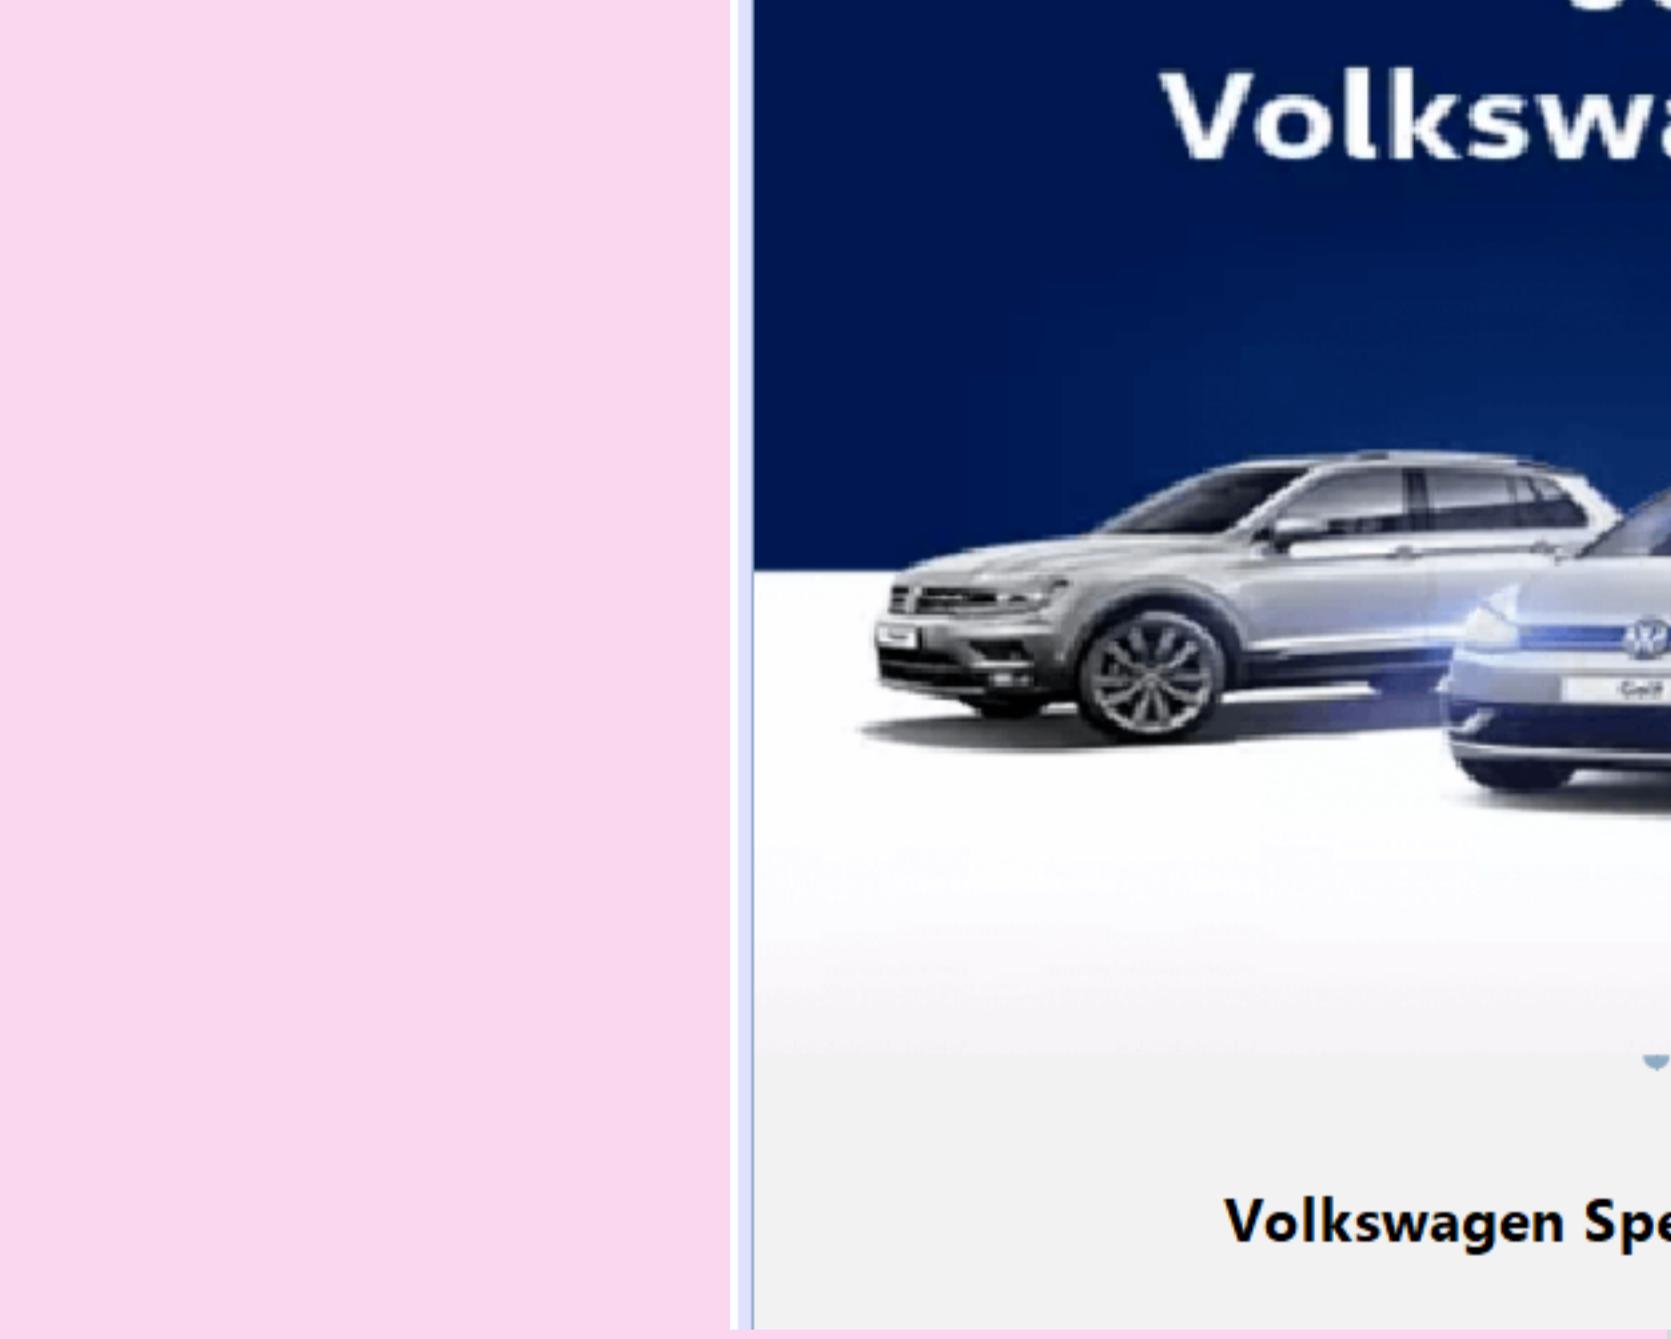

I then moved to CTU Training Solutions and have done an 7 week course in Python which was completed in 2021. Following into 2022, I have completed an Excel and PowerPoint course and currently busy with an NQF5 in Software Development.

Describing myself, I would say I am a hard worker. I am willing to learn and try new things as well.

I am motivated and want to thrive for better.

My weakness is that I over-analyze things and put myself under a lot of pressure into getting work done.

What I love doing most in my spare time is baking and cooking.
